What is SchoolHouse Partners?

SchoolHouse Partners is a locally owned and operated company whose mission is to connect people to qualified, pre-screened service providers while funding schools and other non-profits.

Why Use SchoolHouse Partners?

- You are guaranteed a pre-screened service provider.
- You receive the best price offered by these service providers.
- This is a free service for you.
- 20% of what SchoolHouse Partners earns will be contributed to the school or non-profit you designate.
- Service providers are selected on merit based on a thorough screening process.

What People Are Saying

"Because of SchoolHouse Partners, I saved \$5,000 by working with one of their pre-screened service providers. The other companies wanted to charge me for work that didn't need to be performed."
- Katy ISD Principal

"We had the most positive experiences with the companies SchoolHouse Partners connected us to. SchoolHouse Partners communicated with us throughout the process to make sure we were receiving good service. This is exactly what we needed."
Chris H.- Medical Center

"We used your roofing, plumbing and electrical contractors and we have been totally satisfied with all of them. I think this is great; we get a quality service provider & help our school at the same time."
Chuck & Caroline B.- Sugar Land
